jamesdmagnaye@gmail.com

github@ratatatatcode

Calicanto, Batangas City

Computer Science student with hands-on experience in full-stack development and UI/UX design, gained through academic work and personal projects.

Skills

Frontend: HTML, CSS, JavaScript, EJS, Reactjs, Nextjs

Backend: Nodejs, Expressjs

Database: SQL, NoSQL, PostgreSQL

Experience

Software Development (Internship) - Frontend

June 2025 - July 2025

Batangas State University (STEER Hub - DevOps)

- Built and integrated a new product display page in Next.js, implementing responsive UI components for improved product visibility and user interaction
- Refined UI elements including typography, color schemes, and components in collaboration with teammates to enhance overall user experience and design consistency
- Debugged and updated backend quiz logic and synchronized frontend UI changes to ensure accurate functionality and seamless user flow

Software Development - Full-Stack

2024 - current

Freelance

- Built full-stack web apps (Express.js, EJS, Firebase), including a classroom-style student portal.
- Developed a medical forum/blog platform and a blood bank system with real-time chat.
- Implemented backend logic, database handling, and dynamic UI for multiple client projects.

Education

Bachelor of Science in Computer Science

2022-2026

Batangas State University - TNEU

Certifications

Cisco Networking Academy,
HTML Essentials

April 2025

Cisco Networking Academy,
JavaScript Essentials 2

April 2025

Cisco Networking Academy,
CSS Essentials

May 2025

Digital Frontiers 2026

March 2026

Batangas State University

- AI-Driven Governance & Smart Cities
- IT Audit, Risk, and Digital Governance
- Design Thinking for Entrepreneurial Mindset Development Among University Graduates
